## *How To Use This Guide*

Use the Table of Contents and identify the vehicle model and scroll to the appropriate page. You will note that some examples illustrate schemes with accent paint and decals/graphics and other illustrations are showing Full-Body Paint schemes. You can select the proper code by the accompanying color description.

The exterior graphics package is designated by a 3-digit option number (Examples: 27G, 92K). If unsure of a graphics package because the color descriptions are similar, you can confirm the correct exterior paint option number from several sources:

- The vehicle’s optional equipment list which can be found in the Operator’s Manual Supplement
- The Motor Home Component Information Sheet found in the motor home InfoCase
- The vehicle’s original window sticker
- Winnebago Industries dealerships can access paint information for a specific motor home. Using the coach serial number, go to Vehicle Information/Appliance Model/Serial. This will indicate Dupont or CDI/Sikkens and give the corresponding paint code
- The information can also be accessed by serial number on our website at <http://dealer.winnebagoind.com/unitsearch/parts.htm>. Below are examples of what to look for in the serial parts listing:

WINNEBAGO SERVICE PART ALPHA LIST 10P73441 WKR42QD MFG DATE: 05/08/12			
OPT	DESC	OPT	DESC
DM3	APOLLO/TAN/GLAZED H CHERRY	1DF	EXT TV ENTERTAINMENT CENTER

33F	GEN-3.2 KW ONAN DIESEL	401	INVERTER-DC/AC, 1000 WATT

Full-Body Paint (FBP) is performed by CDI, a company adjacent to the Winnebago Industries factory. Any paint code beginning with ‘CDI’ indicates CDI/Sikkens paint products. For information or repair approval specific to CDI paint, excluding transportation damage, contact CDI directly at 641-585-5900.
