

Innovation meets
diesel efficiency
meets adventure.

Our Original Sprinter B-Van Raises the Bar Again

- **MERCEDES-BENZ® CHASSIS** The new 10" MBUX infotainment system includes voice interface plus advanced features like active brake assist and blind spot monitoring. The 4x4 option helps tackle off-roading with ease.
- **COMPLETE KITCHEN** Home-cooked family dinners to go! Era's elegant galley features Corian® countertops, a two- or three-burner cooktop with glass cover, microwave or microwave-convection oven, stainless sink, and compressor-driven refrigerator.
- **MODERN COMFORT** Sumptuous Ultraleather™ furnishings highlight the contemporary interior. Whether you're dining, working

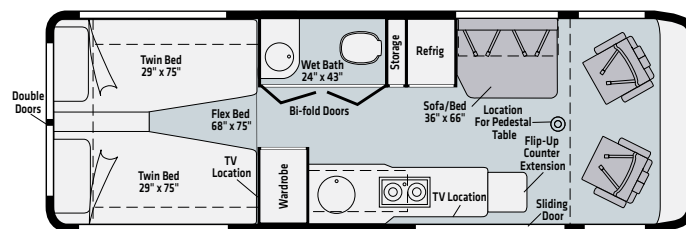

or just relaxing, the movable table and swivel cab seats provide options as open-ended as your plans.

- **WARM UP AND STAY COOL** The reliable Truma Combi® Eco Plus heating lets you flex between gas and electric modes, and the new Coleman®-Mach® 10 NDQ A/C system stays ultra-quiet while directional vents send cool air throughout the coach.
- **MULTIPLEX WIRING** Strategically placed backlit switch panels let you conveniently control light settings, gen start and more. The Precision Plex app (iOS and android) also lets you monitor and control functions including lights, awning, generator, and tank and battery levels via Bluetooth connection.

Note: Dimensions shown are for sleeping and shower space only and may vary due to styling differences.

1. The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of our vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
2. Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
3. Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
4. Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

Because features, specifications, equipment, and options may vary from those highlighted in this brochure, the buyer is responsible for confirming with the dealer the features, specifications, equipment, and options included on their specific vehicle. In addition, Winnebago's program of continuous product improvement may result in changes to vehicle specifications, equipment, model availability, and price without notice.

Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at Winnebago.com
